

Jamaica: Math Grade 1 to 3

Table of Content with Listing of Activities

1. Numerical Order

- Numbers
- Two digit numbers
- Number names
- Numbers greater than 10
- Match the Number with pictures
- Identify greatest number in one digit groups
- Identify least number in one digit groups
- Identify greatest number in two digit groups
- Identify least number in two digit groups
- Identify and order numbers

2. Addition

- Addition #1 Tutorial
- Addition #2 Tutorial
- Addition Fact Tutorial
- Addition of one digit numbers Tutorial
- Addition of two digit numbers Tutorial
- Addition of three digit numbers Tutorial
- Addition with pictures Activity
- Addition of one digit numbers Activity
- Addition of two digit numbers Activity
- Addition of three digit numbers Activity

3. Subtraction

- Subtraction #1 Tutorial
- Subtraction #2 Tutorial
- Different ways of subtraction Tutorial
- Subtraction of two digit numbers Tutorial
- Subtraction of three digit numbers Tutorial
- Subtraction with pictures Activity

- Subtraction of one digit numbers Activity
- Subtraction of two digit numbers Activity
- Subtraction of three digit numbers Activity

4. Multiplication

- Multiplication #1 Tutorial
- Multiplication #2 Tutorial
- Multiplication of one digit numbers Tutorial
- Multiplication of two digit numbers without carry Tutorial
- Multiplication of two digit numbers with carry Tutorial
- Multiplication of three digit numbers without carry Tutorial
- Multiplication of three digit numbers with carry Tutorial
- Multiplication of one digit numbers Activity
- Multiplication of two digit numbers Activity
- Multiplication of three digit numbers Activity

5. Division

- Division #1 Tutorial
- Division #2 Tutorial
- Division using number line Tutorial
- Division by making groups Tutorial
- Division using multiplication table Tutorial
- Find the quotient Activity
- Find the divisor Activity
- Find the dividend Activity

6. Number Comparison

- Comparison of numbers Tutorial
- Comparison of two digit numbers with one digit number Tutorial
- Comparison of two digit numbers Tutorial
- Comparison of three digit numbers Tutorial
- Comparing pictures Activity
- Comparing numbers Activity

7. Problem Solving

- Problem Solving [Activity 1]
- Problem Solving [Activity 2]
- Problem Solving [Activity 3]
- Problem Solving [Activity 4]
